

"Legae Primary, Celebrating 40 Years of Academic Excellence, It Should be Your School of Choice"

14th May 2024

To the Legae Community,

We wish you a warm welcome back to Term 2!

A special welcome to all the new families that have joined us this term. We have experienced a wonderful start to Term 2 and I have been particularly impressed with the ease in which our students have restarted their academic responsibilities. Students were noticeably thrilled to catch up with their friends and peers after the holidays.

Makeover and Refurbishments

There is an energising buzz around school with the different makeover and refurbishment that has been undertaken at our school. Our newly painted rainforest depiction at the Pre-school area, the tiling of the front of the school, pathways and corridors have really enhanced the appearance of the school. Watch this space as I assure you more is yet to come. At Legae we value your child and seek to enhance their learning experience. Together we can maximise their learning potential.

Events and Activities

Our school has exciting activities lined up for Term 2 which include: sponsored walk, school trips, movie days, international holiday focus, ball games, dance, archery, horse riding, cheerleading, ballet, PG4K and so much more.

The afternoon activity programme will commence on Monday, 20th May 2024. Please note that Mondays, Wednesdays and Thursdays are reserved for development of sports codes and activities and all school students who would like to sign up for a sporting code/activity may do so. Tuesdays are for additional paid for activities and additional or remedial lessons with the class teacher.

Fridays are reserved for our school teams training and specialised clubs which is by invite from the coach/coordinator.

Flu Season

The cold and flu season is upon us and visibly noticeable with the sniffles and coughs that we are already hearing at school. The fast-approaching winter cold doesn't make it any easier. Please keep your child at home if they are unwell. If your child/children are fighting of flu, coughs, sniffles and respiratory infections they should wear a mask to school.

Parents as Co-Partners in Education

We recognise that our parents/guardians are crucial partners in student learning. You affect your child's outlook to learning and their views of their teachers and subject matter. Providing a positive and supporting learning environment at home is important. It is vital that parents and teachers have good communication and collaborative relationships. Valuable communication between teachers and parents is necessary for student success and development. Please do not hesitate to connect with your child's teacher, if you have any concerns about their progress, learning or emotional and social wellbeing.

Student Corner

Image of Po the panda with the text: "Your real strength comes from being the BEST YOU you can be. Who are you? What are you good at? WHAT MAKES YOU, YOU?"

We wish all students and their families a wonderful and productive Term 2!

Kind Regards
